Community News

- Thank you to Alan White for keeping our MCA Hall driveway and parking space and sidewalks clear of snow this winter – excellent job!
- Gary Banks passed along some important phone numbers. BC Highways is encouraging us to call the Main Roads office in Langley and talk directly with the person who answers regarding ANY concerns or issues we have related to road conditions – summer or winter. BC Highways monitors these calls and responds through their contractor, Main Roads. These calls will also help BC Highways determine the terms of future contracts. So please call: **1-800 665-4929**.

As well, local MLA Tom Shypitka has offered his office admin. assistant's (Heather Smith) email, as well as his own, if we have concerns.
