

MOYIE READING CENTRE NEWSLETTER

JUNE 2018

Summer has begun. The lake is slowly getting down to its normal level and there are boats running around on it and people fishing. The days have been nice and there is some rain thank goodness.

With the summer now here things will change for the Ongoing Events. So check the changes out.

The Moyuie raffle quilt tickets are selling fast. With only 500 tickets printed we are quickly running out. If you don't have yours yet they will be for sale at Sam Steele Days, Moyie Store or ask any of the quilters in and around town and they will be able to sell you some. Don't leave it for to long or you will be dissappointed.

Book Review

Title: Mountain Footsteps 4th Edition
Author: Janice Strong

The author is a local Cranbrook girl who has revised and updated her previous version with enhanced colour maps and beautiful photos. Trails and routes are between the Rocky Mountains in the east and the Purcell Range in the west. Great book to find hiking destinations for your summer hikes this year.
