TEA CRAFT AND BAKE SALE

As a member of the Moyie Community Association, we wanted to send you a quick note to give you a "heads up" about our annual Christmas Tea, Craft & Bake Sale to be held at the Moyie Community Centre on Saturday, November 10, 2018.

This event is hosted by the Moyie Quilters Guild and is the single biggest fundraiser for our community. We have a groaning bake table, a crafts table (hand made by the Moyie Quilters), lunch (sandwiches, coffee/tea and baking) and a door prize and it is a lot of fun.

But it does not happen (the groaning table) without community support - almost everyone in the community supports this event by contributing a baked item for sale on the bake table plus another similar item for the kitchen (served with the lunch). All sandwiches are made and donated by the quilters (plus of course our baking) but the support from the community ensures the success of the event.

Please note Drop off times for baking are: Friday, November 9th (5 -8 p.m.) and Saturday morning (9 - 10 a.m.). Doors open at 11:00 a.m. so if at all possible, in order for us to get everything priced, our preference would be to have baking dropped off Friday night.

Thank you for your continued support - and we hope, attendance, at this fantastic community event. Please Mark Your Calendars and thank you!!
